You and mom will be coming to visit me in my office.

You'll come into this door:

And wait for me here:

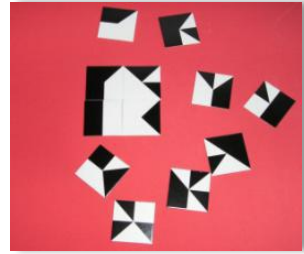

I'll come downstairs and get you, and you and I will work in my office for a while.

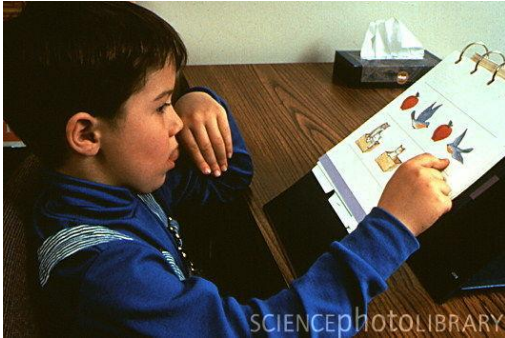

Here's what my office looks like:

We will do some activities together. Some are puzzles

Some will be looking at pictures to figure things out.

We'll also do some drawing and playing.

If you do your best and try hard on everything we do, you can choose a prize at the end of our meeting:

So, I'll see you on October 27!
